CELEBRATION

Celebration of Sport

Each year, we look to celebrate God's gift of sport with a focus on impacting the communities we live and play in. This year, we'll start with a multimedia sports quiz to demo this high-quality outreach resource. Please enter a team from your church!

The quiz will flow into a cafe-style service with input about the 2012 Games: why your church should engage; ways to begin planning; & insights from a local athlete.

Please join us for this unique celebration.

Sunday 29th Jan, 2012, 6pm

**St John's Church Centre
